Most leaders and organizations want breakthroughs, but many struggle with the often unspoken principles and practices required for creating them. Using his highly interactive approach, Soren Kaplan delivers a deep dive into the ins, outs, ups and downs of what it actually takes to lead game-changing innovation – both personally and organizationally.

Soren has presented to dozens of organizations, from corporations and conferences to associations, universities and nonprofits. His engaging style leads his audiences through a journey of exploration and discovery to insight and practical application, ensuring that everyone walks away energized – and with a sense of actionable direction.

Soren customizes every talk to his specific audience – since he’s an adamant believer that it’s only possible to truly connect to others when one has an understanding of their needs, challenges and passions. Hot topics often include:

- **Harness the Power of Surprise for Business Breakthroughs**
- **Using Customer Surprises as a Catalyst for Innovation**
- **Leading Disruptive Innovation and Change**
